

Converts Multiple OSTs to PST Files

Powerful Software to Convert Inaccessible or Orphaned OST Files into PST Files

Stellar Converter for OST

Advanced software to convert inaccessible OST files into PST files & extract all mailbox items. The software performs 45% faster conversion of OST files than the second best competitor and ensures 100% precision and data integrity.

Why do we need to convert OST to PST?

Exchange Server failure, synchronization conflicts, and abnormal Outlook termination might turn an OST file inaccessible. The software extracts mailbox data from such inaccessible OST files by converting them into PST.

Converts encrypted OST file into PST file

Converts large OST files, without any size limitation

Batch conversion of multiple OST files

Saves the emails as MSG, EML, RTF, HTML or PDF

SELECTIVE MAILBOX RECOVERY

Allows to choose and extract specific email messages from OST file, based on parameters such as To, From, Subject & Date etc.

SAVES IN MULTIPLE FORMATS

In addition to saving the recovered data in to a usable PST, this software allows you to save the files in MSG, EML, RTF, HTML & PDF formats.

EXPORTS PST FILE TO OFFICE 365

Exports the PST file directly to Office 365® by selecting Office 365® as the option and entering account credentials.

CONVERTS OST FILES IN BATCH

The software selects multiple OSTs in a Batch to convert and save all files sequentially in PST format at the same location.

COMPACTS OR SPLITS PST FILES

Compact PST files on the basis of attachments or split large PST file on the basis of size, email ID, etc. & convert them into smaller files to reduce further chances of PST-corruption.

CONVERTS ENCRYPTED OST FILES

Sometimes, decryption password is not available for encrypted OST files. The software converts such OST files & extracts all items of the mailbox.

3 STEP CONVERSION PROCESS

MVP SPEAKS

Edward van Biljon
MVP, Microsoft Community Contributor
★★★★★

“ Our IT staff have probably come across several users that Outlook won't start or open or the .OST file is corrupt. A brilliant piece of software provided by Stellar can help you address this situation. It allows you to preview emails and calendar items before conversion & you can convert the .OST file to a .PST seamlessly. ”

KEY BENEFITS

- ✓ **Reduced Downtime**
Performs 45% faster conversion of OST files than the second fastest competitor.
- ✓ **Business Continuity**
